Eric and Chip,

The LWG Management Team and Patty Dost would like to schedule a conference call this week with the two of you and Elizabeth McKenna to discuss stormwater sampling. In particular, we would like to talk about the timing and coordination of the LWG FSP development and the EPA process to generate unilateral orders for some non-cooperating parties (our understanding is letters to these non-coop parties may go out as early as Jan. 15). The best times for me are first thing tomorrow morning (8:00am), or any time after noon on Friday.

In regards to your draft email re this sampling effort, I will call you later this afternoon to discuss its status.

Thanks,

Jim McKenna
